Dear Michelle and Members of Variety Club,

On behalf of the staff and children of Blair Early Childhood Center thank you for your most generous donation of \$5000.00. Everyone at Blair is so excited to be able to replace some of our adaptive bikes. Our bikes have really seen better days. The therapists were very concerned that the bikes were really not safe to ride. They have repaired them for some time but some are beyond repair. I did not know what to do since the bikes are very expensive. Then I had the pleasure of meeting you, Michelle and you saw the needs of the children, so I was so pleased to put Blair School into your hands. Now the children will have safe adaptive bikes to ride! The bikes that are available now can really be adapted. The technology available today is amazing. I will send you pictures of the children enjoying the bikes as soon as they arrive.

Thank you again for making a dream come true for the children at Blair. I hope you will continue to visit Blair. Feel free to bring members of the Variety Club to visit so they can see first hand the wonderful children and staff here at Blair.

Best wishes to all of you. You are very special individuals with generous hearts. Blair School is so lucky to have you come into our lives.

Sincerely,

Karen A. Bryar
